

PLAYA  
Calatagan

Prime Lots @ Beach Clubhouse @ Bamboo Park  
Amphitheater Park @ CentralPark @ Hilltop Clubhouse

Long known as the vacation haven of the country's prominent families, the town of Calatagan has retained its old Spanish provincial charm and laidback ambience. It's very much a part of Batangas —the home of heroes, of the piña barong, and the balisong. So if you are after a place where the days are long with a few distractions, Playa Calatagan is the perfect place to dig your feet in the sand.

**Life in a perfect setting,**

From brilliant sunsets to melodic birdsongs, to the flavors and aroma of fresh grilled seafood, life in Playa Calatagan is nothing but sensory. Apart from the wealthy denizens who have carved their weekend retreats in Calatagan, very few have been lucky enough to discover Batangas's best kept secret. With Landco's mastery of the leisure lifestyle, Playa Calatagan is transforming the town into the hottest destination for upscale seaside living.
